Confessions of a Crazy Girlfriend

25 0 2

Chapter 1 by perks-of-loving-pie

I'm crazy. There I said it. Completely mad.

And of course I'm a crazy girlfriend. These are the confessions I just need to get out.

1. I dwell on everything he says. Seriously everything the smallest thing make me smile, but they also make me sad. I never get mad at him though. I majorly over think things though. Everything.

2. I think he is perfect. To me there is no one more perfect than my boyfriend. He always knows just what to say to change my mood. He makes me unbelievably happy. To me he is perfect and if anyone says otherwise they are wrong.

3. I look at a picture of him when I'm sad. Yup, creepy right? When I am extremely sad I will look at my favourite picture of him, and it cheers me completely up most of the time, but no matter what it makes me happy.

4. I have compiled every sweet thing he has ever said to me. That makes me extensively happy too. What I do is everyday I think back at the cute things he has said and write them down, when

I'm feeling down I just read them and it makes me feel better. I also have a folder on my phone with all the messages he has sent me and explain how it made me feel.
